We have years of experience working on both domestic and import vehicles of all makes and models and can work with you to find cost-effective repair and maintenance alternatives.

Here's what some of our satisfied customers have to say about

COYOTE AUTO REPAIR

“ 5 Star Reviews

“These are by far the best at auto repairs. They are very professional and Honest. I've been taking my vehicles there for maintenance work for over 10 years and have the highest respect for their craftsmanship. Highly recommend Coyote Auto Center for your auto repair work.” —R.D..

“Best auto shop in Huntley - would highly recommend them to anyone. Great service, very friendly people and family owned.” —B.H.

Seasonal Vehicle Tips

KEEP THE BATTERY CLEAN

Over time, corrosion (which looks like white or bluish powder) can form on the terminals of your car's battery terminals. If you don't keep them clean, the battery will struggle to provide power to the starter which can leave you stranded.
