## Here's what some of our satisfied customers have to say about **COYOTE AUTO REPAIR**

### *5 Star Reviews*

*"Great work, fast and efficient. They took my car last minute and had ready in 24 hours. Very friendly family owned shop with a super cute shop dog. I highly recommend Coyote's!" —J.R.*

*"These guys treat my mom RIGHT. Gentlemen through and through. She's gone there many times but in particular, they recently came out to help her when she was stuck, charged the minimum possible for their time, and helped her find the least expensive option to fix her problem (a bad key). They even wrapped her broken key in tape to make it work until the new one came. This is a very big help for someone on a very small budget. Thank you." —L.M.*

*"Jean, Joe & JJ are like family!! Our vehicles stay safely on the road because of Coyote Auto. We also have purchased two of their refurbished cars. Love them!!!" —S.C.*
