

We have years of experience working on both domestic and import vehicles of all makes and models and can work with you to find cost-effective repair and maintenance alternatives.

Here's what some of our satisfied customers have to say about

COYOTE AUTO REPAIR

5 Star Reviews

"I have been going to Coyote for over a year and have been pleased with their knowledge and ability to "break it down" to layman's terms with what my car needs and how it is running. I am also impressed with the cleanliness of the shop, I find this unusual for an auto center. Finally, I am confident in the value and expertise at Coyote Auto Center with the Hernandez Family and recommend anyone to try them, you will not be disappointed. Great people. Great service. Great Value." —C.F.

"Jean, Joe & JJ are like family!! Our vehicles stay safely on the road because of Coyote Auto. We also have purchased two of their refurbished cars. Love them!!!" —S.C.

Seasonal Vehicle Tips

Maintain your tire pressure with the change in season.

Fight the rising costs of fuel: Keep your tires inflated to the proper levels. Under-inflated tires make it harder for your car to move down the road, which means your engine uses more fuel to maintain speed.
